

HOW TO FIND US:

The congress will be held in the premises of the University of Mainz. For the lectures the hall “Alte Mensa – Linke Aula” (H on the map) at the campus of the University is reserved.

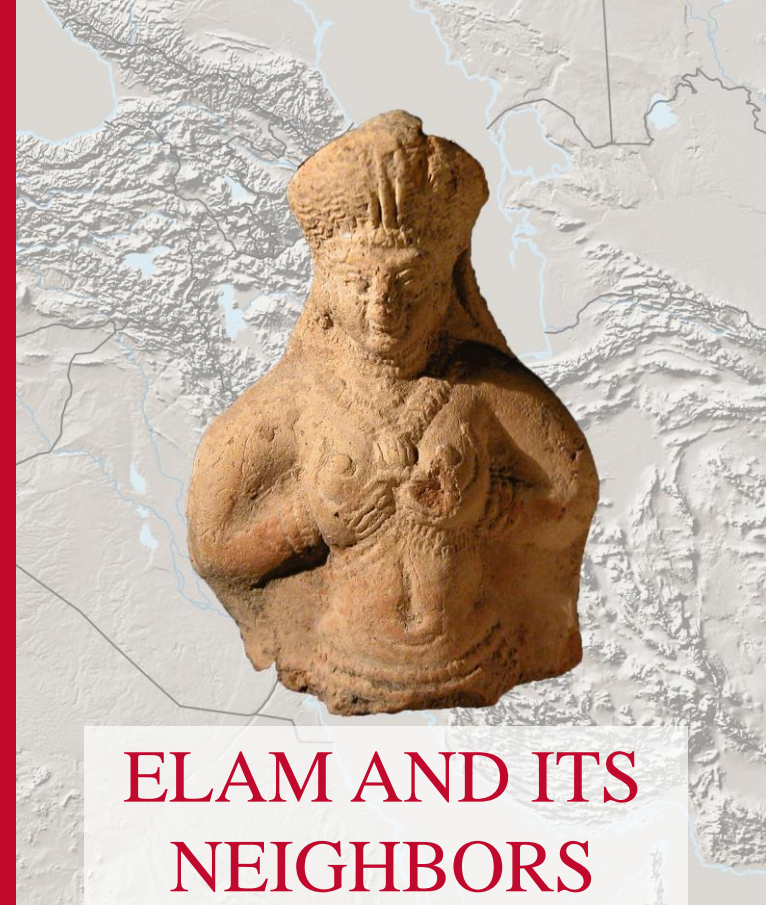

The following buses take you from main station (Hauptbahnhof) directly to the University (Universität): 6, 45, 54, 55, 56, 57, 58, 69.

From bus station “Universität” please follow the marked route to “Alte Mensa”.

The aim of this congress is to report on the current state of research concerning the history, language and culture of Elam and its relationship to neighboring regions. Recent investigations, especially new fieldwork carried out within the last years give a new impulse for further studies. This congress should be an information platform for dissemination of current archaeological and philological findings.
